

## Faculty Response to CTC Completer Surveys

Teacher Education, Engdahl Chair

Discussed at Faculty Meeting Dec 6, 2017

1) General faculty comments in response to survey:

- x What can be done to increase the return rate?
- x How much of this is due to teaching and adjusting to new standards?
- x Note that 1617 was an especially challenging group of candidates (Dr. Kemper). We have been aware of this since the interview process. The issue resolving was the TT hire.
- x Questions 12 and 18 are low on both surveys.
- x

9. Continue conversation about how to discuss “poor” or “outdated” MT practices. Future faculty meetings
